TEA HORSE ROAD SHANGRI-LA, CHINA

A gorgeous, contemporary 18-room hotel at the heart of mythical Shangri-La, where Tibetan culture is well-woven into the fabric of the town

LUX* Shangri-La is a place of singular beauty. Perched high on a hill, it is a connection of the past with the coming future. The 18-room boutique hotel is inspired by the old townhouses of the historic town but incorporating modern elements in the design as well as cutting-edge technology (think oxygen in all rooms). The end result is a piece of minimalist modern architecture that fits perfectly into the landscape. Travellers come to this sanctuary to appreciate the tranquility and timelessness of Shangri-La, which has captured the hearts of many.
