2019 – LUX* Organic Escapes, Chengdu, China

Stepping away from island life, LUX* is preparing to unveil a sanctuary of wellbeing in the Sichuan province of Southwest China. Set amidst an organic farm, a holistic approach to wellness promises to detoxify, promote mindfulness and bring a fresh perspective on living.

A first for China, this boutique 40-room retreat will be both contemporary and effortlessly comfortable, showcasing traditional Chinese craftsmanship.

In partnership with Tony's Farm, Shanghai's most respected eco-supplier of fruits and vegetables, food will go straight from farm to plate and Cafe LUX* continues with freshly roasted coffee blended on-site.

The LUX* Me Spa concept is being tailored to its new home with traditional Chinese medicine practitioners and exclusive treatment rituals, individually catering to guest's needs and desires. With a mission to boost health, mind and body whilst making every moment matter - LUX* Organic Escapes Chengdu brings a new focus to the world of life-style retreats.

2019 - LUX* Luxe Lakes, Chengdu, China

LUX* Luxe Lakes will be a contemporary 180-key resort designed by the illustrious French architect, Jean Nouvel. Forming part of an urban eco-city set on a man-made lake in Chengdu, the tiered edifice will have floor-to-ceiling glass panes allowing natural light to stream in. Brightly patterned ceilings create striking bursts of colour, a pleasant contrast to the terracotta and verdant spring colours of the surrounding nature.

2019 - LUX* Dianshan Lake, China

On the outskirts of Shanghai, upstream of the Huangpu River - the Mother River - Dianshan Lake has long enjoyed a storied past. Fringed by charming towns, yacht clubs, golf courses, an ecological village, an equestrian club and a state-of-the-art aquatic centre, travellers seeking respite from the bustle of the city flock to the peaceful riverbanks of Dianshan to unwind.

LUX* Dianshan Lake, opening in 2019, will feature slanted roofs, pavilions, and bridges that echo the traditions and culture of the province "Upon-the-Sea". Guests will be able to soak up the sacred sunset and watch the lake reflect the blazing reds and oranges of the sky above.

Recap on recent openings

LUX* Resorts & Hotels celebrated the re-opening of their flagship Maldives property LUX* South Ari Atoll at the end of 2016, which was completely re-imagined for a 'beach house chic' look. The resort has brought entirely new dining concepts to the island, from the Maldives' first over-water Asian street food market, to theatrical open kitchen tepanyaki making at Umami Japanese restaurant.

LUX* Bodrum also opened in summer 2017 and was the first of the brand's resorts in the Mediterranean, set amid pine-clad hills, rugged coves and azure waters. As the latest addition to Turkey's Aegean Riviera, LUX* Bodrum invites guests to enjoy innovative Italian cuisine at Stella Restaurant, movie screenings in the Roman amphitheatre, and sunset cocktails at beach club Beach Rouge.
