

LUX*

NORTH MALE ATOLL
MALDIVES

SET IN ONE OF THE WORLD'S RAREST GEOGRAPHICAL RESERVES, IS A RESORT THAT DEFIES ALL NORMS. LUX* NORTH MALÉ ATOLL BRINGS LUXURY AND NOVELTY TO THE SIX-HECTARE PICNIC ISLAND OF OLHAHALI, THE ULTIMATE HIDEAWAY.

UPLIFTING LUXURY

Disrupting the Maldivian mould, traditional thatched villas are replaced with over-sized, penthouse residences demonstrating forward-thinking design for the Indian Ocean.

NATURALLY BEAUTIFUL

Inspiring nautical forms and tones enhance this intimate resort elegantly styled by Singaporean design group MIAJA, in a scheme that blends superpanache yacht with a vibrant South Beach pulse. Each of the 67 residences sits either on the beach or overwater so that guests benefit from a breezy living area which is 350 sq m at the very minimum.

A NEW PERSPECTIVE

A first for the Maldives, each residence is crowned with a fully featured 120 sq m roof terrace – a magnificent private deck elevated 5-12 metres above the lagoon – from which guests will have a unique perspective to marvel over the planet's flattest country. Barbecues, private cinema, yoga plinth, starlight dinner and outdoor games – all these experiences help to enhance the ultimate sky lounge for discerning travellers who appreciate originality, and love to live the high life amid get-away-from-it-all seclusion. Enjoy two world-class restaurants, INTI and Glow, as well as the vibrant signature poolside beach club Beach Rouge, Café LUX* and ICI to complete the offering.
