MONT CHOISY LE GOLF

18-hole championship golf course
in the North of Mauritius

LUX* Grand Gaube ●
Mont Choisy Le Golf ●

About

Built on one of the most stunning settings in the world in the northern plain of Mauritius, golf legend Peter Matkovich has designed a Par 72 - 18- holes championship course that is poised to redefine the Mauritian golfing experience. The course offers impressive bunkering, imaginative water features and intriguing fairways.

Practice facilities includes a Driving Range, Golf Academy, and the Putting Green Short Game Practice Area, providing space so everyone can learn and improve their golfing skills - from the professional player who is aiming to win the next tournament to the regular golfer wanting to enjoy their weekly round a bit more and as importantly, the spouse, son or daughter, who have never held a club.

It offers the opportunity in a friendly and relaxed surrounding to learn and develop their skills, grow confidence, and learn one of the best games on the planet...

The clubhouse is the perfect place to relax and share joyful moments with friends and family. Players can also enjoy locker room facilities and restaurant offering panoramic views of the course and estate.
